

A VOLUNTEERS GUIDE TO PLACE JUDGING

Place judges determine the finishing order of the athletes at the completion of a race. At some events, place judges may also be involved in timekeeping.

THE PROCESS

- 1 Have place judges raised stand directly in line with the finish line.
- 2 There must be one judge per child in the race. Max. eight.
- 3 Place judges are assigned a place that they are to give a child when they have crossed the line. For example, if you are allocated 5th place, you count the first four bodies over the line and award the fifth based on torso crossing the line.

EQUIPMENT

- Raised stand to see all children cross the line.
- Position tickets, 1-8.
